

# ENVIRONMENTAL POLICY

We will demonstrate respect for the environment by managing our operations in a manner that continuously minimizes pollution, waste and consumption of resources across the life cycle of materials, products, and services. Powertech is committed to meeting or exceeding its compliance obligations. We will work to continually improve our environmental management system to enhance our environmental performance. We will conduct business with full transparency by sharing our environmental plans and performance with all interested parties.

This policy is not a substitute for sound judgment. All staff are responsible for implementing this policy as it pertains to their roles and encouraged to constructively challenge actions that may have adverse impacts on the environment.
